One of the most famous Chinese folk tales is "Journey to the West." It tells the story of a Buddhist monk and his group as they traveled by boat and make numerous attempts to leave China, first ousting an evil demon and ultimately reaching India. The Monkey King 2 (English) dual audio hindi eng 720p is one such movie that features characters from this tale which has been produced relatively recently. The cast includes Chow Yun-Fat as the Monk Xuanzang, Andy Lau as Sun Wukong, and Tommy Cheung as Tang Sanzang. The four main characters embark on a journey together to search for Buddhist scriptures in India after receiving news that those scriptures had been miswritten in Tibetan translation. Unlike American characters, Chinese characters are usually masked behind their roles in society. The Monkey King 2 (English) dual audio hindi eng 720p is no exception. The Monk Xuanzang is portrayed as a scholar, who does not have any of the qualities of a warrior monk. Tang Sanzang also appears to be more of a pure-hearted kid than an authoritative scholar or priest. Sun Wukong on the other hand is all strength and audacity with his sharp features and aggressive mannerisms. All of these characters are clearly defined by their roles separate from their true characters. There are some elements of this tale that function as the basis for the film's conflict. The Monk Xuanzang's journey to find enlightenment is at first hindered by the evil demons who live in India. He eventually finds help in one of his former refugees, by way of pain and suffering, to defeat those demons—the Monkey King 2 (English) dual audio hindi eng 720p. The film opens with a brief description of Xuanzang's past and then explains his need to travel to India for a time to achieve enlightenment. His mission is made clear and, as the world has changed since his last visit, he has no choice but to take a teammate with him. The audience is immediately introduced to the characters and the importance of their journey through an animated sequence that depicts Xuanzang sitting in a boat that is set ablaze. The Monk (Chow Yun Fat) shows Sun Wukong (Tommy Cheung) his plans for travel and also makes it clear that he would be leaving alone. On hearing this news, Sun Wukong becomes infuriated and makes it obvious that he was not asked to go along and does not want to anyway. As they travel, the four characters develop their own conflicts in their desire for freedom versus their duties to others. The Monk joins with Tang Sanzang (Andy Lau), his former refugee, to fight the demons. But when he offers an idea to use the demon's magic scroll to defeat them, Tang Sanzang refuses, saying it would be too dangerous. The Monkey King 2 (English) dual audio hindi eng 720p pauses briefly during this tension between these two, but quickly continues when Sun Wukong intervenes and defeats the demons himself with the scroll. They are then able to continue on their journey.
